About the Lead Facilitators

Bode Abifarin

Founder/CEO of Strata

Bode is a visionary leader with over 21 years of experience in the financial services, fintech, and payments industry. As the former Chief Operating Officer (COO) at Flutterwave, her leadership played a crucial role in scaling operations and driving growth across Africa, helping the company become the continent's largest fintech, valued at over \$3 billion. Prior to joining Flutterwave, Bode served as Associate Director at KPMG, where she led significant projects in business strategy and transformation for the financial services industry. She championed the development of service for the banking industry in Nigeria and also pioneered and led customer advisory services for the firm. Currently, she is the founder and CEO of Strata, a technology-first solutions provider aimed at helping businesses scale and achieve their objectives. Bode has received multiple global awards, including Global Top Women in Fintech, among many other accolades. Her leadership and expertise continue to influence the fintech landscape across Africa.

Topsy Kola-Oyeneyin

Managing Partner, Augmentum Advisory

Topsy Kola-Oyeneyin is a systems change leader who thrives at the nexus of strategy, technology, and execution. With decades of experience spanning advisory and operating roles, she has led high-impact initiatives that have reshaped industries, empowered leaders, and expanded economic opportunity.

From spearheading the Central Bank of Nigeria's Cashless Lagos initiative—one of the most ambitious payments transformations on the continent—to advising CEOs and policymakers on digital innovation and policy reform, Topsy combines deep expertise with a hands-on approach to driving change. A former Partner at McKinsey & Company, she co-led the firm's Payments and Fintech Practice for Eastern Europe, the Middle East, and Africa and was an affiliate practitioner in its Organization Practice, specializing in leadership development and change management. She has facilitated board strategy retreats, stakeholder convenings, and C-suite leadership sessions across multiple continents. A sought-after speaker on transformation, the digital economy, and intrapreneurship, her insights have been featured in *The Financial Times* and *The Economist*.

Why is the **Clarity Bootcamp Different?**

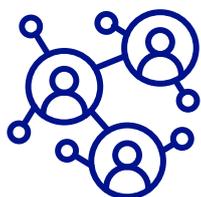

Experiential Learning Focus

Unlike traditional leadership programs that rely on lectures, Clarity Bootcamp uses hands-on exercises, outdoor adventures, leadership simulations, and real-world problem-solving to ensure deep learning and application.

Holistic Leadership Development

We integrate personal growth, strategic leadership skills, and work-life harmony, ensuring participants not only excel in their roles but also find fulfillment and balance.

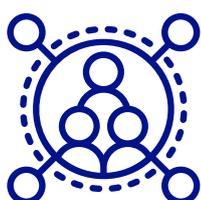

High-Impact Networking

The program creates long-term relationships through curated networking sessions, bonfire storytelling, and group coaching, connecting mid-level managers with mentors, peers, and industry leaders.

Personalized Growth Plans

Each participant crafts a leadership roadmap for themselves and their teams with a clear vision, strategic goals, and actionable steps, ensuring real transformation beyond the bootcamp.

Pre & Post-Bootcamp Engagement

A community that ensures participants start their leadership journey before the program and continue learning through post-bootcamp check-ins, alumni support, continuous mentorship opportunities, and access to proprietary tools and resources (checklists, reference materials).

What Do Participants Gain?

1

Stronger Leadership Capabilities

Employees develop the confidence and skills to lead with impact, drive results, and foster a high-performance culture.

2

Actionable Strategies for Business Success

Participants gain practical leadership insights from industry experts, ensuring they apply best practices to your organization's unique challenges.

3

Expanded Networks & Cross-Industry Insights

Employees build valuable connections with peers, mentors, and thought leaders, bringing fresh perspectives and innovative solutions to your organization.

4

Increased Productivity & Well-Being

Participants master time management, stress resilience, and work-life balance techniques, ensuring they stay focused, engaged, and motivated.
